This fee will be charged on July 1 of every year. Varsity group swimmers will be assessed a \$50 annual admin fee due at the time of registration.

MEET INFORMATION

VOLUNTEERING -

As part of the culture of the club, volunteering is required if you are attending a meet. By entering your swimmer in a meet you are also signaling your availability to volunteer at that meet. Fortunately, since we tend to have a lot of athletes at these meets, we are able to spread the timing requirements across everybody. Of course, if you just love to time and have a poolside seat to the action, we love to have you do more! We also need more parents to begin officiating, just like timekeeping, our meets cannot run without trained officials. If you are interested in starting the official's training, please reach out to Coach Sam. Coaches reserve the right to pull swimmers from meets if volunteering expectations are not met.

MEET ENTRIES -

Each month a newsletter will get sent out by one of our staff about upcoming meets and deadlines for meet entries, all meets on our meet schedule page will be attended by a Roadrunner Aquatics coach. All available meet info can also be found on the meet schedule page on the website. To enter into a meet send an email with your swimmer's events to roadrunnerswimming@gmail.com, include the meet name and the name of your swimmer in the subject line. If you do not respond to the email by the deadline, you may not get entered into the meet. Roadrunner Aquatics will not be responsible for any late entries. If you decide to go to a meet not on our schedule, we will not be able to send a coach.

MEET FEES -

All meet fees will be billed to your account. Meet fees are non-refundable.

PRACTICE INFORMATION

PARENTS WATCHING PRACTICES -

We encourage parents and family members to watch practices. However, in following USA Swimming Safe Sport guidelines, parents are not permitted on deck or to talk with the coach during practice times. We ask that parents remain in the stands or near the grass area during practice. Please do not hover over the pool or try to coach your swimmers while they are at practice, this is a major distraction for both your swimmer and the coach.

EQUIPMENT -

At the start of each season each group will be emailed about what swim equipment will be needed prior to each season.

PARKING -

Each family will be responsible for purchasing a parking pass either online or at the Cashier's Office on the CSUB campus. Each car parking on campus will need to have a daily pass paid or an activities pass, Roadrunner Aquatics is not responsible for any tickets as a result of not following these rules.

DROP OFF AND PICK UP -

You must follow the CSUB policy. YOU CAN NOT drop off right in front of the pool. The policy does allow you to drop off on the side by the soccer field. We are not responsible for tickets received for not following these rules.

Any parent who fails to have their athlete picked-up within fifteen minutes of the conclusion of that athlete's scheduled practice time will have a fee of \$10.00 for every fifteen minutes that parent/guardian is late, added to their accounts. This will help pay for the extra time our coaches have to stay and wait for your athlete. If there is an emergency please communicate with your athlete's coach.

MOVING GROUPS -

All group movement is solely at the discretion of the RA coaching staff who remain in constant communication about any potential swimmers. The minimum criteria to move a swimmer to a new group is posted and varies from group to group but ultimately, it is a coach based decision looking at many factors. Our goal is to have every swimmer placed in the group that best fits their swimming needs, while still challenging the swimmer and remaining age appropriate. Group movement will happen 3x year: the primary times in March (before LCM season) & August (before SCY season) with any corrections made in December. At that time, we will email the parents and make the switch. Refer to the group page for fees and practice times for your new group.

OTHER INFORMATION

GRIEVANCE PROCEDURE -

If you find a circumstance unjust, please be sure to have all the proper information before placing a formal grievance. Refer to the athlete policies for most cases. Hearsay should not be used to form a complaint. If you would like to discuss a problem you might have, please email roadrunnerswimming@gmail.com to set up a meeting with the owner and the coach involved so we can rectify the situation.

CSUB -

We love the closeness that the CSUB swimmers and the Roadrunner Aquatic swimmers have, this is one of the main reasons we started the club. We've always wanted to have these two teams support each other. However, the CSUB coaching staff are very busy during our CSUB season. We love to see how great Roadrunner Aquatics is doing, but all questions and emails **MUST** go to roadrunnerswimming@gmail.com. Emails to Chris Hansen or return emails to the billing email will not be returned. This includes emailing one of these email accounts to cancel memberships.

ROADRUNNER CLOTHING -

We love to see all the Roadrunner shirts around town and at swim meets! All swimwear and dryland clothes must be appropriate for swim practice. RA is proudly sponsored by Speedo and uses CAS as our supplier.
